Empowered YOUth, is the heartfelt story of **Michael and Jeffrey Eisen**, who rose up from a tumultuous, emotional past to come together in a loving, respectful relationship as father and son, coach and student. Through this **engaging narrative**, they provide a refreshing perspective on how parents and kids can work together to empower one another by opening the channels of communication, dissolving fear, and surrendering the need for control.

Through this story of a relationship that has been broken apart and put back together, Jeffrey and Michael provide inspiration for those looking to **empower the next generation** in a more **loving, open, and intuitive way**

Now available everywhere books are sold.

Michael's book will be available for purchase for \$15 and he will be signing books after the presentation!
